

Overcoming Electrical Jobsite Challenges: The Power of Going Digital

Managing electrical jobsites comes with a unique set of challenges—from endless paperwork and communication breakdowns to delayed payments and safety risks. These issues not only hinder productivity but can also impact your bottom line.

As jobsites grow more complex, traditional methods of management are proving increasingly insufficient, leading to frustration, inefficiency, and costly mistakes.

CHALLENGES ELECTRICIANS FACE

JOBSITE CHAOS

75%

of electricians report spending too much time on paperwork and administrative tasks.¹

FRUSTRATED CUSTOMERS

68%

of customers cite delays and communication issues as the main reasons for dissatisfaction.²

DELAYED PAYMENTS

Many electricians face challenges with slow invoicing processes, leading to cash flow issues and operational delays.

SAFETY CONCERNS

Electrical jobsites often experience accidents due to poor documentation and communication. Improving these areas is crucial for enhancing jobsite safety.

HOW YOU CAN SOLVE THESE PROBLEMS

DIGITAL WORK ORDERS AND INVOICES

Save an average of two hours per day by automating administrative tasks.³

GPS TRACKING

Improve dispatch efficiency with real-time GPS tracking. Unlock a 10% to 20% reduction in fuel costs through optimized route planning.⁴

PHOTO CAPTURE AND ANNOTATION

Capturing and annotating photos directly in an app can significantly enhance communication with clients and improve inspection accuracy.

CUSTOMIZABLE FORMS

Customizable forms allow for precise data collection and compliance, significantly reducing errors compared to manual entry.

SAFETY ENHANCEMENTS

Reduce safety risks by ensuring accurate, real-time documentation of inspections and work orders. Decrease jobsite accidents by 26% through better communication and documentation.⁵

DO ALL OF THE ABOVE WITH GOCANVAS

SOFTWARE EFFICIENCY BOOST

Users report an average productivity increase of 34%.

COST SAVINGS

Users save an average of \$52,250 on annual administrative costs.

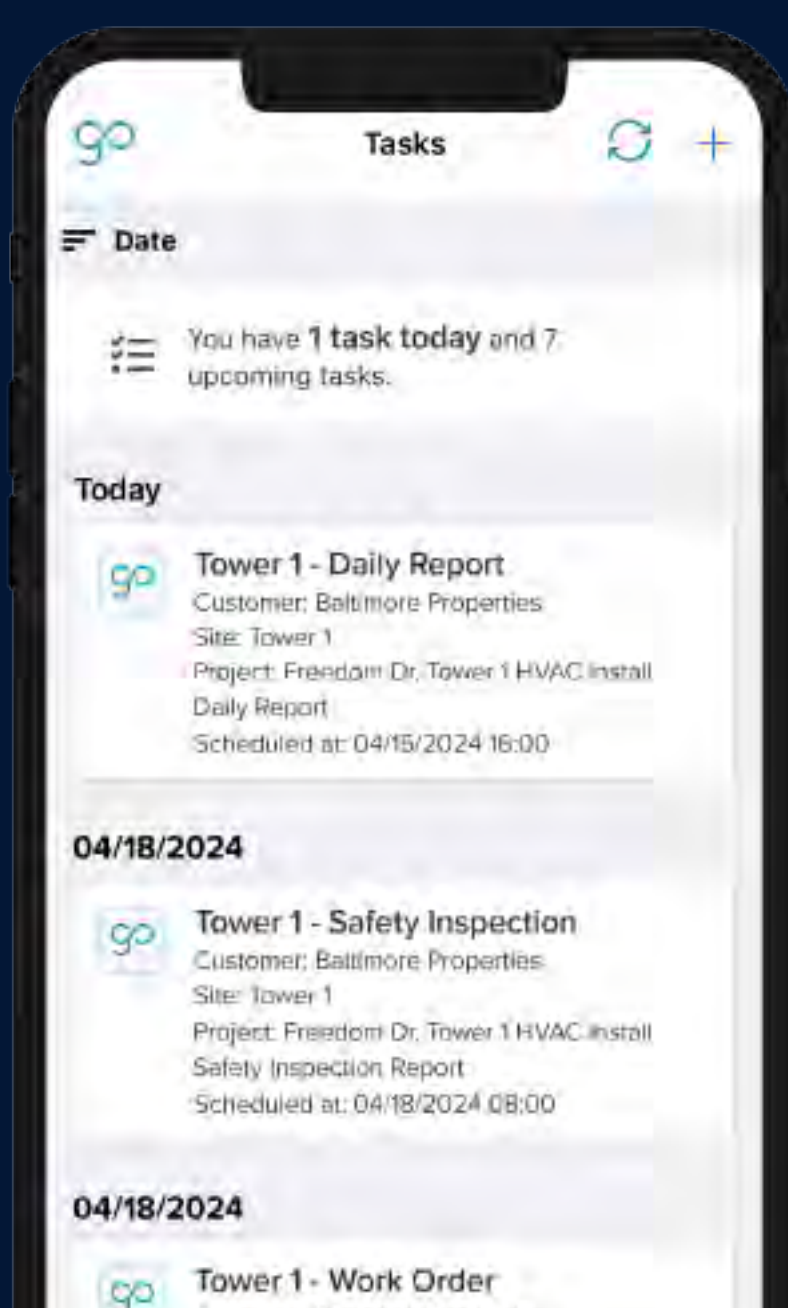

CUSTOMER SATISFACTION

90% of users report improved customer satisfaction.

SAFETY IMPROVEMENTS

Users report a 25% reduction in jobsite accidents.

WHY CHOOSE GOCANVAS?

GoCanvas® is the go-to app for electricians, designed to streamline workflows and reduce errors to ensure efficient jobsite management. Trusted by thousands of electricians, it offers scalable management that works for your needs and provides 24/7 support from a dedicated team. With real-time updates, customizable forms, and seamless communication, GoCanvas empowers you to overcome common jobsite challenges, enhance safety, and boost your bottom line.

Ready to boost your efficiency, enhance safety, and cut down on paperwork? **Get started with GoCanvas today.**
